Escrow Account Disclosure Statement

Account Information

Loan Number:	
Property Address:	884 TALON CT LEECHBURG PA 15656
Statement Date:	10/19/2022
Current Payment Amount:	\$1,018.65
New Payment Amount:	\$1,012.57
New Payment Effective Date:	12/01/2022

You are receiving this statement because you have an escrow account with us. We have safeguards in place to ensure there is enough money in your account to cover your homeowners insurance, real estate taxes and mortgage insurance, if applicable. However, changes in your taxes and insurance could result in a shortage or surplus in your escrow account.

Based on our most recent analysis, you have a shortage of \$117.77 in your escrow account. This shortage likely was caused by changes in your taxes and/or insurance. A shortage may also result if full monthly escrow payments have not been made to your account. To see these changes, refer to Part 2. We will automatically spread the shortage amount over 12 months of future monthly escrow payments. This will be reflected as an increase to your monthly mortgage payment.

Projected Minimum Balance	\$397.51
- Required Minimum Balance	\$515.28
Shortage Amount	\$117.77

The required minimum balance (also known as the escrow cushion) is the amount that you are required to pay into your escrow account to cover unanticipated disbursements for escrow items or for disbursements that have to be made before the monthly escrow payments are available in your escrow account.

Part 1 provides your current and the new escrow payment amounts. Part 2 shows what has already happened in your account while Part 3 shows what we anticipate happening in your account over the next 12 months. As escrow items are subject to change each year, the amounts in Part 3 are only estimates.

The required minimum balance, as indicated by the asterisk (*) in the summary above, is determined by the Real Estate Settlement Procedures Act (RESPA), your mortgage contract or state law. Your minimum balance may include up to two months of escrow payments (excluding PMI/MIP) to cover increases to your taxes and homeowners insurance.

PART

4

What This Means to You

Your escrow balance is less than the required minimum balance or cushion in your account. The resulting shortage is \$117.77.

The Escrow shortage has been spread over 12 months. Including the shortage, your new total monthly payment will be \$1,012.57.

Did you know by having recurring payments set up through FreedomMortgage.com, we'll adjust for any changes in your monthly payment automatically? Shortage Repayment FAQs

Customers who prefer to pay their escrow shortage in a lump sum may find the below information helpful.

Am I required to pay my shortage in a lump sum?

No. You may elect to do so at your own discretion.

What is a shortage and why might I have one?

Your escrow account exists to pay escrowed items (taxes, insurance, mortgage insurance, etc.) as they come due. Shortages are commonly caused by increases in taxes or insurance, changing your insurance carrier off-cycle, or underestimated taxes when you closed your loan.

A regular analysis of the escrow account is required to ensure that enough funds are available to pay these expenses as they come due. A shortage exists if the analysis shows that the minimum required balance falls below the amount required to make the projected payments of escrowed expenses.

May I pay the total escrow shortage?

You have the option to pay the total shortage in a lump sum but you are not required to do so. If you choose to pay the total shortage, your scheduled monthly payment will no longer include the shortage collection amount. A coupon is provided below for your convenience. You may also pay an escrow shortage via our website at www.freedommortgage.com or via telephone by calling 855-690-5900. Please allow one billing cycle for this change to be reflected on your billing statement.

Can I prepay my escrow account, so my payment does not change?

No. Taxes and insurance costs routinely change. The escrow portion of your monthly payment is collected so disbursements can be made when due; changes to escrowed expenses will result in a change in your mortgage payment.

While making supplemental payments towards your escrow may reduce or eliminate an escrow shortage, the escrow portion of your monthly payment is calculated by dividing all projected escrow expenses in the coming year by 12. This calculation, for future monthly payments, is independent of the existing balance in the escrow account, so paying extra will not change the escrow payment calculation.

Can I pay an escrow shortage in a lump sum if my loan is 30 or more days delinquent?

No. Payments on loans that are 30 or more days past due will first be credited toward any past-due amount owed before any funds are applied towards an escrow shortage.

If you prefer to pay the shortage in a lump sum, then please return this coupon with the amount shown below. This is not a request for lump sum payment.
